Debbie,

As a follow-up to our call this afternoon, attached please find copies of the Modification Approval Order (Docket No. 18707) and the Modified Plan. As discussed, the injunction contained in paragraph 22 of the Modification Approval Order and in section 11.14 of the Modified Plan (the "Plan Injunction") stays the proceedings in the district court unless and until a motion is filed in the bankruptcy court seeking leave to file a late claim and the court grants the motion and lifts the Plan Injunction. We would not oppose such a motion in filed in the bankruptcy court to file a late claim (but would reserve the right to substantively oppose the claim).

The procedures for filing a motion in the bankruptcy court are governed by the supplemental case management order (Docket No. 2833), and the procedures for electronic service are set forth in the Nineteenth Supplemental Case Management Order (Docket No. 20189).

The next available hearing dates are September 24, 2010 and October 21, 2010. (Docket Nos. 19774, 20417, and 20427.) Note that the September 24, 2010 omnibus hearing date was originally set for September 14, 2010 per the attached Eighteenth Supplemental Case Management Order, but the hearing date was subsequently moved to September 24, 2010. (See attached Notice Of Rescheduling (Docket No. 20417).) Copies of the service lists for the parties entitled to electronic service of all motions under the applicable case management orders are also attached. Thanks.
